

Certified to EC Regulation 461/2010 Car Block Exemption.

As a manufacturer of brake systems and components operating in the Original Equipment and Aftermarket sectors, Brembo S.p.A. hereby certifies that its products are made to the highest engineering and quality standards currently adopted in the automotive industry; moreover, in keeping with the company's code of ethics, Brembo S.p.A. is committed permanently and unwaveringly to a policy of continual improvement in the areas of health and safety, working conditions and care for the environment.

Brembo S.p.A. declares and certifies that its products are original parts as defined in paragraph 19 or matching quality parts as defined in paragraph 20 of European Commission Notice to Regulation 461/2010 "Supplementary guidelines on vertical restraints in agreements for the sale and repair of motor vehicles and for the distribution of spare parts for motor vehicles" (2010/C 138/05).

The use of Brembo products is authorized in the maintenance and repair of vehicles, even during the vehicle warranty period, without forfeiting the warranty*.
