

GENUINE HIGH QUALITY ENGINE COOLING & CLIMATE PARTS

WE HEREBY CONFIRM THAT AS

Nissens A/S

Ormhøjgårdvej 9, 8700 Horsens, Denmark

we design, develop and manufacture original quality parts for automotive engine cooling and climate systems, in accordance with the requirements of the highest quality standards ISO 9001 / TS 16949 and matching OE 100%

The products manufactured by us are exclusively original spare parts or spare parts of matching quality as defined by the block exemption regulation (EU) no. 1400/2002, article 1, sections 1 (t) and 1 (u) respectively.

Horsens, 20.07.2009
